

Hospital School Programs- Psychiatric

Program Description

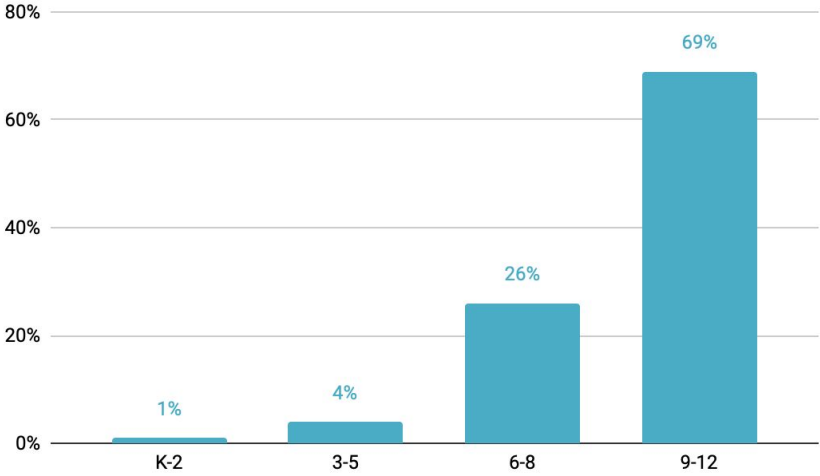

The Hospital School Program provides a flexible and motivational educational experience through instruction and educational support to students up to age 21 with significant, acute medical, rehabilitation or mental health needs during the course of their hospitalization and/or ongoing treatment. The Psychiatric program includes sites at Providence Willamette Falls and Unity.

Math: All grades	*	*
Reading: All grades	*	*
* <10 students or data unavailable		

Post-Program Outcomes

During the 22-23 SY, 96 students were referred to an MESD Transition Specialist.

MESD is a nationally accredited educational cooperative that provides programs, services, and academic placement options on a regional basis to school districts in Multnomah County and beyond.
