Comments:

The Multnomah ESD has received additional information about specific expenditures for needed upgrades and maintenance at district sites. These expenditures either were not anticipated or could not be accurately estimated at the time the 2016-17 budget was prepared. The expenditures are funded by a transfer from the Contracted Services Fund and a decrease in contingency. These changes increase the total Facilities and Equipment Reserve expenditures from \$439,523 to \$691,150 and decrease the contingency from \$365,200 to \$354,673.
