Selection of individual providers of these services will be based on a reasonable, efficient process developed by the department requiring services from among agencies in MESD's providers' pool. Such contracts may be issued for one, two or three year time periods.

During the current school year, MESD may engage in one or more Requests-for-Proposals (RFP) processes to ensure an adequate number of providers in its pool. MESD hereby requests information from any and all providers who offer similar and competing services and who may be interested in responding to MESD when such proposals are being requested.

MESD is currently requesting proposals from providers interested in being added to the providers' pool. Unsealed proposals are due by 2:00 pm Pacific Daylight Savings Time on Monday, June 24th, 2019, and must be sent to rfpsped@mesd.k12.or.us so as to be received before that date and time.
