Multnomah Education Service District Agencies Providing Certain Highly Specialized Services

Multnomah Education Service District (MESD) has identified a need for certain highly specialized categories of personal services and intends to contract with independent-contractor agencies which can provide those specialized services on a temporary, “as needed” basis.

Therefore, MESD may enter into contracts during the current school year with identified providers of the below-listed services:

- Speech and Language Pathologist
- Speech and Language Pathology Assistant
- School Psychologist
- Occupational Therapist
- Certified Occupational Therapy Assistant
- Physical Therapist
- Licensed Physical Therapy Assistant
- Behavior Consultant
- Special Education Teacher
- Qualified Mental Health Professional
- Mental Health Consultant
- Licensed Practical Nurse (LPN)
- Registered Nurse (RN)
- Paraprofessional / Educational Assistant

Selection of these service providers will be based on a reasonable, efficient process developed by the department requiring services. Such contracts may be issued for one, two or three year time periods.

While no selection process is underway, MESD hereby requests information from any and all agencies who offer similar and competing services and who may be interested in responding to MESD’s future selection processes.

Contact Karen Daniels or Traci Silverman at rfpsped@mesd.k12.or.us to express an interest in participating in future selection processes.
